

EXTERIOR COLOUR TEN YEAR WARRANTY

Your windows manufactured by Vinyl Window Designs Ltd. (VWD) utilize premium pigments and paints in order to provide you with years of satisfaction with our products. VWD offers you the following unmatched warranty on our standard colour co-extruded and painted window products.

All coloured exterior surfaces are warranted not to peel, crack, chip or separate from the vinyl window material for the duration of this ten (10) year warranty.

All coloured surfaces are warranted against undue fade for a period of ten (10) years. This warranty utilizes the NCCA Standard as an industry accepted measurement of normal weathering. The visible colour of your windows are warranted to remain within the ΔE limits as specified in this warranty.

All products exposed to sunlight and other elements can be expected to show visible signs of normal wear. For the purposes of this warranty, normal wear shall be considered to be a colour deterioration of one ΔE in the first year of this warranty and one additional ΔE for each new year started for the duration of the ten (10) year warranty.

This warranty is limited to refinishing, repair or replacement, of products found to be defective under the terms of this warranty. VWD reserves the exclusive right to determine the appropriate method for bringing products into compliance with this warranty.
