

*Dream a
little dream...*

A photograph of a happy family of three—a mother, a father, and a young girl—smiling and embracing each other in a bright, sunlit room. The room features large white-framed windows with blinds, a lamp, and a small sculpture on the floor. The overall atmosphere is warm and inviting.

WVD *Windows for Life!*
Vinyl Window Designs Ltd.

...of window excellence

With our complete line of ClimateShield window styles and features, you can dare to dream outside the box! This shapely one-of-a-kind surround was conceived to add character to an elegant fireplace with striking curves and unusual lighting. Exterior colour and form is brought indoors to add a strong natural appeal to the room setting. Another designer dream made true by Vinyl Window Designs.

and elegance!

It's a jungle out there! But with energy and sound efficient Vinyl Window Designs casement windows, you're in control of your interior environment! Optional Low E coatings and warm edge spacers can be combined with Argon or Krypton gas filling. Triple glazing techniques combat heat loss! Optional sound limiting glass technologies eliminate outside disturbances. Your jungle home never looked or sounded better than with windows made by Vinyl Window Designs.

Let the sunshine in...

Light up your life with Patio Door creations that emphasize glass and pristine vinyl! An ordinary wall can become a centerpiece of brilliance and design! Choose from a variety of style options! Bring the best part of the outdoors inside and live closer to nature!

or experience the night stars!

The shape of things to come is here now! A round top window can be your observatory to the heavens.

Refinement...grace...and charm are easily achieved!

When you see the universe through ClimateShield windows by Vinyl Window Designs in your dream home, you are captain of your own ship!

A wise man said...

Don't be lost in the dark! Combination ClimateShield window creations are strong, warm, beautiful and maximize natural lighting!

Oriel and Cottage style double and single hung styles allow you to create windows with a unique appeal for each environment. Blend your design with your own style sense of custom window finishings.

*“A new window
is a new home!”*

Bring a taste of outdoors inside! There's no place like home... and no den has ever been cozier!

Shape, form and light can be creatively combined to emphasize your decor. Cut Beveled Glass and a myriad of grill options allow you to live "outside the box!"

Enjoy a serene dinner

Owning a room with a view is a feast for your eyes and you'll never be in a rush to end your meal!
